

CROWDAA

Terms & Conditions

SAAS SERVICES AND SUPPORT

Subject to the terms of this Agreement, Crowdaa will use commercially reasonable efforts to provide Customer the Services. As part of the registration process, Customer will identify an administrative user name and password for Customer's Crowdaa account. Crowdaa reserves the right to refuse registration of, or cancel passwords it deems inappropriate.

Subject to the terms hereof, Crowdaa will provide Customer with reasonable technical support services in accordance with the terms set forth in "Warranty and Disclaimer" and Exhibit A.

RESTRICTIONS AND RESPONSIBILITIES

Customer will not, directly or indirectly: reverse engineer, decompile, disassemble or otherwise attempt to discover the source code, object code or underlying structure, ideas, know-how or algorithms relevant to the Services or any software, documentation or data related to the Services ("Software"); modify, translate, or create derivative works based on the Services or any Software (except to the extent expressly permitted by Crowdaa or authorized within the Services); use the Services or any Software for timesharing or service bureau purposes or otherwise for the benefit of a third; or remove any proprietary notices or labels. With respect to any Software that is distributed or provided to Customer for use on Customer premises or devices, Crowdaa hereby grants Customer a non-exclusive, non-transferable, non-sublicensable license to use such Software during the Term only in connection with the Services.

Further, Customer may not remove or export from the United States or allow the export or re-export of the Services, Software or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in FAR section 2.101, the Software and documentation are "commercial items" and according to DFAR section 252.2277014(a)(1) and (5) are deemed to be "commercial computer software" and "commercial computer software documentation." Consistent with DFAR section 227.7202 and FAR section 12.212, any use modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

Customer represents, covenants, and warrants that Customer will use the Services only in compliance with Crowdaa's standard published policies then in effect (the "Policy") and all applicable laws and regulations. Although Crowdaa has no obligation to monitor

Customer's use of the Services, Crowdaa may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.

Customer shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Services, including, without limitation, modems, hardware, servers, software, operating systems, networking, web servers and the like (collectively, "Equipment"). Customer shall also be responsible for maintaining the security of the Equipment, Customer account, passwords (including but not limited to administrative and user passwords) and files, and for all uses of Customer account or the Equipment with or without Customer's knowledge or consent.

CONFIDENTIALITY; PROPRIETARY RIGHTS

Each party (the "Receiving Party") understands that the other party (the "Disclosing Party") has disclosed or may disclose business, technical or financial information relating to the Disclosing Party's business (hereinafter referred to as "Proprietary Information" of the Disclosing Party). Proprietary Information of Crowdaa includes non-public information regarding features, functionality and performance of the Service. Proprietary Information of Customer includes non-public data provided by Customer to Crowdaa to enable the provision of the Services ("Customer Data"). The Receiving Party agrees: (i) to take reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. The Disclosing Party agrees that the foregoing shall not apply with respect to any information after five (5) years following the disclosure thereof or any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party or (e) is required to be disclosed by law.

Customer shall own all right, title and interest in and to the Customer Data, as well as any data that is based on or derived from the Customer Data and provided to Customer as part of the Services. Crowdaa shall own and retain all right, title and interest in and to (a) the Services and Software, all improvements, enhancements or modifications thereto, (b) any software, applications, inventions or other technology developed in connection with Implementation Services or support, and (c) all intellectual property rights related to any of the foregoing.

Notwithstanding anything to the contrary, Crowdaa shall have the right collect and analyze data and other information relating to the provision, use and performance of various aspects of the Services and related systems and technologies (including, without limitation, information concerning Customer Data and data derived therefrom), and Crowdaa will be free (during and after the term hereof) to (i) use such information and data to improve and enhance the Services and for other development, diagnostic and corrective purposes in connection with the Services and other Crowdaa offerings, and (ii) disclose such data solely in aggregate or other de-identified form in connection with its business. No rights or licenses are granted except as expressly set forth herein.

PAYMENT OF COMMISSION

Customer will pay Crowdaa the then applicable commission described in the Order Form for the Services and Implementation Services in accordance with the terms therein (the

“Commission”). The Commission will be 15% of the Gross Revenue generated by the Service.

Advanced Setup Fee of \$5000 will be recouped from the Gross Revenue generated by the Service. On each month, Customer will pay to the Company 60% of the Gross Revenue until the Advanced Setup Fee will be fully recovered.

If Customer believes that Crowdaa has billed Customer incorrectly, Customer must contact Crowdaa no later than 60 days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Inquiries should be directed to Crowdaa’s customer support department.

Crowdaa may choose to bill through an invoice, in which case, full payment for invoices issued in any given month must be received by Crowdaa thirty (30) days after the mailing date of the invoice. Unpaid amounts are subject to a finance charge of 1.5% per month on any outstanding balance, or the maximum permitted by law, whichever is lower, plus all expenses of collection and may result in immediate termination of Service. Customer shall be responsible for all taxes associated with Services other than U.S. taxes based on Crowdaa’s net income.

TERM AND TERMINATION

Subject to earlier termination as provided below, this Agreement is for the Initial Service Term as specified in the Order Form, and shall be automatically renewed for additional periods of the same duration as the Initial Service Term (collectively, the “Term”), unless either party requests termination at least thirty (30) days prior to the end of the then-current term.

In addition to any other remedies it may have, either party may also terminate this Agreement upon thirty (30) days’ notice (or without notice in the case of nonpayment), if the other party materially breaches any of the terms or conditions of this Agreement. Customer will pay in full for the Services up to and including the last day on which the Services are provided.

Upon any termination, Crowdaa will make all Customer Data available to Customer for electronic retrieval for a period of thirty (30) days, but thereafter Crowdaa may, but is not obligated to, delete stored Customer Data.

All sections of this Agreement which by their nature should survive termination will survive termination, including, without limitation, accrued rights to payment, confidentiality obligations, warranty disclaimers, and limitations of liability.

WARRANTY AND DISCLAIMER

Crowdaa shall make reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Implementation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Crowdaa or by third-party providers, or because of other causes beyond Crowdaa’s reasonable control, but Crowdaa shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption. However, Crowdaa does not warrant that the Services will be uninterrupted or error free; nor does it make any warranty as to the results that may be obtained from use of the Services. Except as expressly set forth in this section, the services and implementation

services are provided “as is” and Crowdaa disclaims all warranties, express or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose and non-infringement.

LIMITATION OF LIABILITY

Notwithstanding anything to the contrary, except for bodily injury of a person, Crowdaa and its suppliers (including but not limited to all equipment and technology suppliers), officers, affiliates, representatives, contractors and employees shall not be responsible or liable with respect to any subject matter of this agreement or terms and conditions related thereto under any contract, negligence, strict liability or other theory: (a) for error or interruption of use or for loss or inaccuracy or corruption of data or cost of procurement of substitute goods, services or technology or loss of business; (b) for any indirect, exemplary, incidental, special or consequential damages; (c) for any matter beyond Crowdaa’s reasonable control; or (d) for any amounts that, together with amounts associated with all other claims, exceed the fees paid by customer to Crowdaa for the services under this agreement in the 12 months prior to the act that gave rise to the liability, in each case, whether or not Crowdaa has been advised of the possibility of such damages.

MISCELLANEOUS

If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect and enforceable. This Agreement is not assignable, transferable or sublicensable by Customer except with Crowdaa’s prior written consent. Crowdaa may transfer and assign any of its rights and obligations under this Agreement without consent. This Agreement is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both parties, except as otherwise provided herein. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Customer does not have any authority of any kind to bind Crowdaa in any respect whatsoever. In any action or proceeding to enforce rights under this Agreement, the prevailing party will be entitled to recover costs and attorneys’ fees. All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by facsimile or e-mail; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested. This Agreement shall be governed by the laws of the State of California without regard to its conflict of laws provisions. The parties shall work together in good faith to issue at least one mutually agreed upon press release within 90 days of the Effective Date, and Customer otherwise agrees to reasonably cooperate with Crowdaa to serve as a reference account upon request.

EXHIBIT A

Service Level Terms

The Services shall be available 99.9%, measured monthly, excluding holidays and weekends and scheduled maintenance. If Customer requests maintenance during these hours, any uptime or downtime calculation will exclude periods affected by such maintenance. Further, any downtime resulting from outages of third-party connections or utilities or other reasons beyond Crowdaa's control will also be excluded from any such calculation. Downtime shall begin to accrue as soon as Customer (with notice to Crowdaa) recognizes that downtime is taking place, and continues until the availability of the Services is restored. In order to receive downtime credit, Customer must notify Crowdaa in writing within 24 hours from the time of downtime, and failure to provide such notice will forfeit the right to receive downtime credit. Such credits may not be redeemed for cash and shall not be cumulative beyond a total of credits for one (1) week of Service Fees in any one (1) calendar month in any event. Crowdaa will only apply a credit to the month in which the incident occurred. Crowdaa's blocking of data communications or other Service in accordance with its policies shall not be deemed to be a failure of Crowdaa to provide adequate service levels under this Agreement.
